

# Newsletter of the Goochland Republican Women

## May 2015

The **Annual Virginia Federation of Republican Women's State Convention** convened April 17 - 19 in Richmond. Because the VFRW represents thousands of women throughout the state, it is an invaluable tool in getting Republican candidates elected here in Virginia.

This year, the VFRW awarded three scholarships. Two VFRW Political Studies Scholarships were awarded to students studying government, political science, or law. The Kendall Rhodes Memorial Scholarship was awarded to a female high school senior in Virginia, who will be majoring in education.

Speakers included The Honorable Dave Brat and Susan Allen. VFRW President Linda Bartlett stated: ***"The VFRW continues to grow in size and strength providing a vehicle for women concerned with the direction of our government. We strive to inform the public through political education and activity and increase the effectiveness of women in the cause of good government."***
